

New... the Potpourri!

In addition to gerbera liners from tissue culture, Terra Nigra is now offering a new seed line for pot gerberas.

With compact foliage, striking flowers with unique bold colors and strong stems this new seed line comes in two sizes: the **Potpourri Maxi** and the **Potpourri Mini**.

The **Potpourri Maxi** line with a large flower diameter is best suitable for 8 inch pots. The **Potpourri Mini** line with a small flower diameter is best suitable for 4 to 6 inch pots.

Both sizes are available in a wide range of bright colors: white, pink, hot pink, orange, red, and yellow.

For more information, please contact our sales department.
